## FOR IMMEDIATE RELEASE

### Fiscal Systems Wins IBM Retail Sales Solutions Excellence Award

**MADISON, Alabama, July 29, 2010-** Fiscal Systems today announced that it has received a 2009 IBM Retail Sales Solutions (RSS) Excellence Award. This award is the highest recognition the IBM RSS brand has to offer. Winners of this award have demonstrated superior leadership in the delivery of IBM retail technologies as well as the knowledge and capability to successfully meet client expectations. Fiscal was honored at the IBM Retail Users Group (IRUG) conference in San Antonio, TX.

“This award is a key accomplishment within the industry and we are honored to be recognized with this reward,” said Kevin Struthers, Executive Vice-President for Fiscal Systems. Selected from 240 eligible IBM RSS North American Solution Providers, including Resellers, Consultants, Integrators, and Independent Software Vendors, Fiscal is among the top-achieving business partners for IBM RSS. The company has made significant contributions in revenue achievement and its commitment to actively promote the IBM brand in their marketing efforts and demand generation campaigns.

“The superior solution offerings from IBM, coupled with our niche software products, provides our customers with a single source solution specifically designed to meet our client’s point of sale and back office needs, enabling us to be a true strategic partners to our customers,” said Struthers. The solution is PA-DSS validated by Trustwave and delivered on the IBM platform to a large number of C-Store and Truck Stop retailers that cannot compromise on security and compliance.
