

## About us

The International Payments Forum (IPF) is a financial services industry online community. The IPF is a member managed resource that is available online to the public and also has members only access to premium content, forums and working groups for information sharing and exchange. The IPF is a financial services outreach initiative under the auspices of the ATM Industry Association (ATMIA), a global non-profit trade association.

Our mission is to provide and promote our members with relevant and timely information that impacts the electronic payments industry. The IPF Portal provides opportunities for member education and training, development of industry best practices, access to industry resources, and online collaboration. Basic membership is free and open to anyone with industry credentials.
