

You Will Want to Be There From Start to Finish

As you begin planning to attend the largest and most prestigious ATM event in the world, you most definitely will want to “see how it ends”. It is an impressive program with a theme throughout of “Reinventing the ATM Ecosystem - a new dawn of self-service innovation”. Don’t miss a single day...

Day 1 starts with pre-conference workshops and committee meetings for ATMIA members. Sign up for a workshop to take a deep-dive into essential and timely topics – including Fraud and Logical Security

– Trends & Tactics, Physical Security, the bleeding edge of Customer Authentication at the ATM, and your NextGen ATM journey (from both technology and business perspectives). Later in the day, ATMIA members are invited to attend the ATM Town Hall – a panel discussion of “The Road Ahead to 2050 as Viewed in ATMIA’s 25th Year”, followed by the Opening Reception.

Day 2 kicks off the conference’s formal educational program. But before that, we have the annual awards ceremony and a very special keynote speaker to inspire you! Then take your pick of 18 breakout sessions covering a full spectrum of engaging educational topics. Sessions include “Cost Savings Through ATM Recycling” in the Financial Institutions track; “How to Leverage Existing ATMs for the Crypto Revolution” in the IAD/ISO track; and an ATM Industry track presentation on “ATMs at the Heart of Retail and Financial Services Convergence”.

Day 3 features an impressive roster of plenary sessions. Presenters address topics that affect all sectors of the ATM industry. Sessions already committed include a look at the latest technology for remote monitoring of your ATM fleet; a Federal Reserve review of the surge of currency in circulation during the pandemic; and how ATM operators are leveraging Big Data Analytics to optimize ATM placement, enhance the cardholder experience and monetize new revenues from existing transactions.

Our host venue for 2022 is a favorite of our members and attendees – the Sapphire Falls Resort at Universal Studios, Orlando FL. Visit the [conference website](#) for more information about the event and the venue.

If you have not attended an ATMIA U.S. conference within the past three years, you qualify for the '**New Attendee**' rate. For everyone else, **Early Bird rates** are in effect now for the greatest savings – but only for a limited time.
